AMMONIA

Use of Anhydrous Ammonia Up ....Oct.—p 12

ASSOCIATIONS

Agricultural Aircraft Assn. (Convention Report) .....Mar.—p 70
Agricultural Ammonia Institute (Annual Meeting Report) .....Feb.—p 50
(New Officers) .....Feb.—p 52
American Potash Institute (President, Annual Meeting Report) .....Dec.—p 61
American Potash Institute and the Foundation for International Potash Research (President) .....Feb.—p 74
American Society of Agronomy (Dr. W. L. Nelson Honored) .....Dec.—p 18
(Papers Presented at Meeting) ..Dec.—p 42
Minnesota Agricultural Chemicals Assn. (Officers) .....Mar.—p 35
Minnesota Plant Food Assn. (Officers) .....Jan.—p 62
("Outstanding Soil Management" Award) .....Jan.—p 62
National Agricultural Chemicals Assn. (Annual Meeting Report) ..Oct.—p 16
(Committee Formed to Develop Good Manufacturing Practices for Pesticides) .....Dec.—p 47
(Editors Featured on Program) ..Sept.—p 72
(Officers) .....Oct.—p 17
(Pesticide Safety Guide) .....Feb.—p 12
National Fertilizer Solutions Assn. (Convention Reports) .....
Jan.—p 35; Dec.—p 58
("Man of the Year" Awards) ..
Jan.—p 35; Dec.—p 60
(Officers and Directors) .....Jan.—p 38
National Plant Food Institute (Board of Directors) .....July—p 10
(Conference Report) .....Mar.—p 15
(Convention Reports) June—p 88; July—p 8
(Farm Publication Editors Honored) .....July—p 14
National Safety Council (Fertilizer Section, Meeting Report) .....Nov.—p 60
(Fertilizer Section Officers) .....Nov.—p 66
(Fertilizer Safety Section Wins Cameron Award for 1964) ....Nov.—p 61
(Midwest Safety School "Students," Photo) .....Jan.—p 73
National Society of Soil and Plant Diagnosticians (Formation) ....Jan.—p 72
(Convention Report) .....Dec.—p 79
Pacific Northwest Plant Food Assn. (Bulk Blending Symposium) .....Jan.—p 72
Texas Agricultural Chemicals Assn. (Formation, Officers) .....June—p 62
Weed Society of America (Officers) .Apr.—p 72
Wisconsin Fertilizer Assn. (Officers) .....Mar.—p 47

AUTHORS

Aldrich, S. R.
Broadcast Applications .....Mar.—p 40
Allstetter, W. Raoul
Farmers Can Fertilize to Optimum Level Even When Farm Prices Drop .....June—p 23
Baker, Albert B.
Basic Producers Will Gain Control of the Fertilizer Industry .....June—p 12
Bear, Stuart H.
Cooperation Requested to End Pesticide Controversy .....Sept.—p 13
Gain of 5% Seen for Pesticides Along With Farm Economy ...Jan.—p 18
Beers, Zenas H.
Tonnages Expected to Increase With Fewer Farmers .....Mar.—p 28
Blair, Jess F.
Efficiency, Safety Make V-C Plant Operate Smoothly .....Aug.—p 12
Bridger, G. L.
Fertilizer Developments .....Jan.—p 54
Great New Developments Seen for Fertilizer in 1964 .....Feb.—p 86
Brown, A. L. (See Krantz, B. A.)
Brown, Robert H.
New Georgia Plant Has Capacity of 360 Tons NH_3 Daily .....May—p 16
World Population Growing Faster Than Is Agricultural Production .....May—p 18
Cascino, Anthony E.
"Explosive" Situation Expected in the Fertilizer Trade for Some Years to Come .....June—p 14
Fertilizer Use on Wheat Crop Can Be Important in 1964 .....Jan.—p 16
Chevalier, Michel
Canadian Sales to Continue 8% Growth During 1964 Season ...Jan.—p 12
Cloaninger, B. D.
Labeling Specialty Fertilizers ...Apr.—p 26
Colvin, Walter
Special Type Person Needed for Self-Owned Operations .....Nov.—p 29
Copeland, W. B., and Gran, Cedric
Big Farms of Future Will Require Large Suppliers for Services ..June—p 10
Davis, Arthur L.
PHS Pesticide Report Called "One-Sided, Needlessly Frightening" by House Group .....June—p 78
Ribicoff Gets Tough on Pesticides; Proposes Licensing, Inspection Law .....May—p 12
Ribicoff to Keep Eye on Pesticide Threat Even Though Investigation Is Completed .....Nov.—p 54
Truth on Fish Killings Sought in New Hearings .....July—p 52
U.S. Agencies Argue and Industry Testifies as Fish Fight Goes On .....Aug.—p 16
Dively, John H.
Deciding on the Right Equipment.Sept.—p 16
Douglas, John R.
Continuing Growth Seen for Plant Food Market .....Jan.—p 26
Dull, Raymond H.
Expanding Markets Seen for Fertilizers With Added Advantage for Local Operator .....June—p 8
More Fertilizer Means More Bag Use .....Dec.—p 16
Epps, Ernest A., Jr.
Will Fertilizer "Grades" Disappear? .....Aug.—p 50
Farnham, Dr. Rouse S. (See Hansen, Dr. Louis I.)
Fry, Ramon
"Negative Attitude" Toward Chemicals in Agriculture .....Apr.—p 60
Gardner, Leo R.
Plant Food Use to Double in Next 10 Years .....June—p 12
Garman, Willard H., and White, William C.
Fertilizer; Basic Farm Ingredient..Oct.—p 44
Glass, E. H.
Factors Determining the Hibernation of Insects Studied by Eastern Entomologist .....Sept.—p 14
Gran, Cedric (See Copeland, W. B.)
Hall, John W.
Fertilizer Use in 1964 Should Better Record Made in '63 .....Jan.—p 18
Hansen, Dr. Louis I., and Farnham Dr. Rouse S.
Coating Fertilizer Granules .....Apr.—p 16
Haude, William J.
Distribution Facilities Must Be Improved to Augment Production .....June—p. 22
Horton, Donelson B.
Both Safety and Economic Considerations Involved in Adequate Maintenance Plan .....Nov.—p 10
Johnson, A. K.
To Prevent Uneven Flow, Erratic Pattern, Keep Nozzles, Valves, Strainers Clean! .....Nov.—p 8
Keating, Dan J.
Tighter Regulation of Industry Seen for Future Years .....Jan.—p 20
Kennerly, A. B.
Firm Founds Success on Special Services to Farmers .....Feb.—p 78
Krantz, B. A., and Brown, A. L.
Increasing Importance of Micronutrients .....Nov.—p 67
Lyons, Jerry
Fertilizer Marketing? "We Haven't Seen Anything Yet," Observer Says .....June—p 19
Manbeck, Edwin L.
Rinse Out Pumps With Water, But Beware of Low Temperature If Moisture Remains .....Nov.—p 12
Martin, David
Modern Pesticide Distributor ....Sept.—p 64
Marvin, Philip H.
Bird Numbers Increase During Pesticide Years .....May—p 9
McAllister, S. H.
Industry Urged to Tell Public About Pesticides in 1964 .....Jan.—p 12
McCollum, Ben D.
Everything Points to Greater Use of Fertilizer in 1964 .....Jan.—p 13
McLean, Louis A.
Some Pesticide Foes Teachable . . . Others Won't See No Matter What .....Nov.—p 80
McVickar, Malcolm H.
Fertilizer Blender Adds to Community Prosperity .....Sept.—p 42
Miller, H. Vise
Tomorrow's Large Volume Operators Must Seek Wide Range of Markets .....June—p 16
Nelson, Al P.
"Grow" . . . Key Word in This Operation .....May—p 52
Oscar & Pat ...Jan.—p 32; Feb.—p 48; Mar.—p 68; Apr.—p 52; May—p 56; June—p 26; July—p 44; Aug.—p. 48; Sept.—p 24; Oct.—p 39; Nov.—p 56; Dec.—p 74
Unusual Bulk Blend Operation in Iowa .....Feb.—p 8
Nelson, Werner L.
Greater Use of Potash Indicated..Nov.—p 24
Phillips, Ed H.
Industry Representatives Must Aid Farmers in Making Basic Decisions .....June—p 11

Wierenga, Mel E.
Knowledge Gained by Farmers Assures Big Pesticide Use .... Jan.—p 16
Woods, Fred J.
Plea Made for Control Officials to "Protect" the Manufacturer and Consumers ..... July—p 16
Yeats, Parks A.
From the Control Official's Viewpoint ..... Feb.—p 17

CANADA

Pesticide Sales During Year Ended September, 1963 ..... May—p 19

COMPANIES

Adkins-Phelps Co. (Operations) ... Sept.—p 64
Agway, Inc. (Cooperative GLF Exchange, Inc., and Eastern States Farmer's Exchange, Inc., Merger) ..... Aug.—p 61
(Production Man of the Month) ... Oct.—p 62
Allied Chemical Corp. (Nitrogen Division, "Feed and Weed" Program) ..... Sept.—p 76
Anderson Fertilizer Co. (Operations) . Jan.—p 8
Andersons' (Fertilizer Operations) .. Oct.—p 8
Ark-La Feed & Fertilizer Co. (Operations) ..... Mar.—p 8
Bemis Bro. Bag Co. (Polyethylene Bags) ..... Jan.—p 62
CD Chemical Corp. (Operations) ... May—p 52
California Chemical Co. (Ortho Division, Pesticides, Fertilizers Marketing Program) ..... June—p 28
Cargill Securities Co. (Buys Willmar Manufacturing Co., Inc.) ... Dec.—p 47
Carolina Nitrogen Co. (New Conversion Facility) ..... Mar.—p 60
Chamberlin & Barclay, Inc. (Packaging Operations) ..... Jan.—p 64
Chase Bag Co. (Plastic Bag Closure) ..... June—p 32
Coberly & Plumb (Buys BHC Crop Service, Inc.) ..... May—p 55
Columbia Nitrogen Corp. (New Georgia Plant) ..... May—p 16
Darling & Co. (Granulation) ..... June—p 34
DeKalb Fertilizer Co. (Operations) .. July—p 18
Esso Chemical Co. (Acquisition) ... Mar.—p 42
FMC Corp., Niagara Chemical Division (New Research and Development Laboratory) ..... Feb.—p 72
Funk, Edw. J., & Sons Co. (Slurry Manufacturing Plant) ..... June—p 74
Girdler Corp. (Ships Entire NH_3 Plant to France) ..... Sept.—p 32
Grace, W. R., & Co. (Federation Chemicals, Ltd.) ..... Apr.—p 30
(Plant Tour for 4-H'ers) ..... Feb.—p 42
Gully-Ross Supply Co. (Plant Story) . Aug.—p 9
Hooker Chemical Corp. (Aquisition) ..... Mar.—p 35
International Minerals & Chemical Corp. (Granular Potash Production) ..... Jan.—p 58
(Sales Training Clinics) ..... Sept.—p 28
Kerr-McGee Oil Industries, Inc. (Acquires Hubbard-Hall Chemical Co.) ..... Aug.—p 58
(Buys Georgia Fertilizer Plant) ... May—p 58
Miller Publishing Co. (Appointments) May—p 59; Aug.—p 52
(President) ..... May—p 57
Monsanto Chemical Co. (New S. A. Insecticide Company) ..... Mar.—p 72
Nitrin, Inc. (Nitrogen Fertilizer Complex) ..... June—p 58
Northwest Nitro-Chemicals Ltd. (Expansion Program) ..... June—p 64
Olin Mathieson Chemical Corp. (Blockson Works Phosphate Capacity) ..... May—p 39
Poseyville (Ind.) Grain & Feed Co. (Operations) ..... Nov.—p 22
St. Regis Pulp & Paper Corp. (Sells Machinery Making Plant) ..... May—p 55
Schjeldahl, G. T., Co. (Buys St. Regis Paper Machinery Making Plant) ..... May—p 55
Smith-Douglass Co. (Safety Tips for Handling Solutions in the Plant) ... Apr.—p 13
Stauffer Chemical Co. (Buys Western Phosphates, Inc.) ..... May—p 39
Stockdale Fertilizer Co. (Operations) ..... July—p 31
Tenneco Corp. (Buys Southwest Sprayer and Chemical Co. Stock) . June—p 16
Texas Gulf Sulphur Co. (New Phosphate Facilities) ..... Aug.—p 58
Tyler Manufacturing Co., Inc. (Acquires Mooers Hammermill Co.) . July—p 48
(Enters Liquid Application Field) . Sept.—p 62
(Open House) ..... Nov.—p 76
(Tank and Converter Distribution) ..... Nov.—p 66
United States Borax & Chemical Corp. (Buys Reade Herbicide Plants) ..... Jan.—p 58
Virginia-Carolina Chemical Corp. (Operations) ..... Apr.—p 8
(Production Man of the Month) .. June—p 56
Wonder Chemical Co. (Operations) ..... Feb.—p 78

CONFERENCES

Arkansas Plant Food Conference ... Feb.—p 100
Columbia Nitrogen Symposium ..... May—p 18
Corn Congress ..... Nov.—p 18
Fertilizer Industry Round Table .... Dec.—pp 8, 30-34, 83
Fertilizer Safety School ..... Oct.—p 10
General Fertilizer Technology Demonstration (National Fertilizer Development Center, TVA) ..... Nov.—p 13
Midwest Fertilizer Conference ..... Mar.—p 15

CROP PRODUCTION

Corn Congress Discusses Soil Fertility, Pest Control and Micronutrient Needs ..... Nov.—p 18
Tissue Testing Technique ..... Feb.—p 22

EDITORIALS

Committee Hears About Horrors of a World Without Adequate Pest Control ..... Aug.—p 64
Direction of Industry in the Future Described by Symposium Contributors ..... June—p 90
Effective Courses in Plant Operation, Safety Available at Two Meetings ..... Oct.—p 68
Fertilizer Tonnage Once More Breaks Records . . . Nutrient Content Still Rising ..... Apr.—p 78
Halting Pesticides Because of Surplus Crops Is "Fallacious and Dangerous" ..... Sept.—p 86
How Far Should "Service" Go?... Dec.—p 84
It's Difficult to Increase Volume Enough to Compensate for Price Cut ..... Feb.—p 104
Optimism Seen at NAC Meeting .. Oct.—p 68
Pesticide Critics Make Headway Via Urban-Oriented Legislative Bodies ..... Mar.—p 80
Pesticide Pollution Not a Problem in River, Sanitarian States After Survey ..... Nov.—p 86
Pesticides "Belong" in Modern World, But How Do You Convince the Public? ..... July—p 62
Red's Fertilizer Use Plan May Lack Means for Users to Get Information ..... Jan.—p 76
Ribicoff Says He Wants Pesticide Plants Licensed and U.S. Inspected) ..... May—p 64

EQUIPMENT

Deciding on the Right Equipment.. Sept.—p 16
1965 Equipment Buyers' Guide .... Dec.—p 23
Packaging Materials and Equipment.. Dec.—p 30

EXPORTS

Bright Future Seen for U.S. Pesticide Exports ..... Feb.—p 19

FERTILIZER

Adequate Fertilization Enables Higher Yields Using Less Water .... Mar.—p 15
Agronomic Briefs From the Experiment Stations .. Feb.—p 44; Mar.—p. 76; May—p 60; July—p 20; Aug.—p 14; Sept.—p 26; Oct.—p 50; Nov.—p. 49; Dec.—p 70
Be Sure Product Weight Is Right!... July—p 24
Broadcast Applications ..... Mar.—p 40
California Fertilizer Sales Gain in 1963 ..... Mar.—p 32
Continuing Growth Seen for Plant Food Market ..... Jan.—p 26
Farmers Can Fertilize to Optimum Level Even When Farm Prices Drop ..... June—p 23
"Feed and Weed" Program Shows Good Results Even in Dry Areas.. Sept.—p 76
Fertilizer; Basic Farm Ingredient.... Oct.—p 44
Fertilizer Developments ..... Jan.—p 54
"Fertilizer Situation" Reports Ample Supply to Meet Big Demand.. Apr.—p 40
Fertilizer Use of Poly Bag May Reach 100 Million in '65 (Talk by Shelby Brown) ..... Dec.—p 32
Food Supply of Future Depends Largely on Use of Fertilizer (Paper by Dr. W. C. White and Dr. W. H. Garman) ..... Dec.—p 42
From the Control Official's Viewpoint ..... Feb.—p 17; Apr.—p 26; Aug.—p 50; Oct.—p 14
Future Appears Bright for Greater Use of Superphosphoric Acid (Talk by A. B. Phillips) ..... Dec.—p 34
Great New Developments Seen for Fertilizer in 1964 ..... Feb.—p 86
How Do You Enrich Fertilizer Products With Micronutrients? (Talk by T. P. Hignett) ..... Dec.—p 10
New Methods to Make Fertilizers... Dec.—p 8
Plea Made for Control Officials to "Protect" the Manufacturer and Consumers ..... July—p 16
Schoolroom Test Plot ..... Apr.—p 74
Sell Fall Fertilization ..... Oct.—p 12
Use of Humates in Fertilizers ..... June—p 66
Warning Against Conical Loading of Fertilizer in Truck, Storage (Talk by L. J. Pircon) ..... Dec.—p 33

FERTILIZER APPLICATION

Aerial Application of Fertilizers ... Apr.—p 60
Broadcast Applications ..... Mar.—p 40

FERTILIZER BLENDING

Fertilizer Blender Adds to Community Prosperity ..... Sept.—p 42
Unusual Bulk Blend Operation in Iowa ..... Feb.—p 8

FERTILIZER CONSUMPTION

Fertilizer Consumption Table, Year Ended June 30, 1963 ..... Apr.—p 34
Tonnage Figures Important Phase of Control Work ..... Feb.—p 17
Tonnages Expected to Increase With Fewer Farmers ..... Mar.—p 28
World Fertilizer Production, Consumption, Continue to Rise ..... May—p 20

FERTILIZER FACILITIES

Automation Helps Beat Production Bottleneck ..... July—p 31
Balloon, Speeches Feature Opening of New Nitrin Unit ..... June—p 58
Carolina Nitrogen Dedicates Plant.. Mar.—p 60
Efficiency, Safety Make V-C Plant Operate Smoothly ..... Aug.—p 12
84 Years of Fertilizer Progress ... Apr.—p 8
Finds Success in Keeping Up With Business Trends ..... Nov.—p 22
"Full Service" Policy Pays Dividends ..... Aug.—p 9
Grace Plant to Ship N to World Markets ..... Apr.—p 30
Granulation Problems Solved in Illinois Plant ..... June—p 34
"Grow" . . . Key Word in This Operation ..... May—p 52
Illinois Firm Profits From Astute Business Practices ..... July—p 18
Lawn Food Line Adds Volume to Ohio Fertilizer Operator ..... Oct.—p 8
Manufacture, Application of Slurries Demonstrated ..... June—p 74
One Stop Service Promotes Sales... Mar.—p 8
Plant Dedication Ceremony by Columbia Nitrogen ..... May—p 16
Service Key Word in Michigan Firm ..... Jan.—p 8
Tyler Co. Enters Liquid Application Field ..... Sept.—p 62
Unusual Bulk Blend Operation in Iowa ..... Feb.—p 8

GENERAL

Fines Through the Screen ..... Jan.—p 51; Feb.—p 70; Mar.—p 22; Apr.—p 54; May—p 30; June—p 85; July—p 46; Aug.—p 56; Sept.—p 49; Oct.—p 52; Nov.—p 78; Dec.—p 72
Index of Articles in Croplife During 1963 ..... Jan.—p 66
Letters to the Editor ..... July—p 49
Meeting Memos ..... Jan.—p 74; Feb.—p 102; Mar.—p 78; Apr.—p 76; May—p 62; June—p 86; July—p 60; Aug. p—62; Sept.—p 82; Oct.—p 64; Nov.—p 82; Dec.—p 81
Men Moving Ahead in the Trade.. Jan.—p 46; Feb.—p 31; Mar.—p 49; Apr.—p 18; May—p 22; June—p 46; July—p 37; Aug.—p 18; Sept.—p 52; Oct.—p 24; Nov.—p 39; Dec.—p 50
1965 Equipment Buyers' Guide .... Dec.—p 23
What's New ..... Jan.—p 60; Feb.—p 89; Mar.—p 64; Apr.—p 62; May—p 48; June—p 70;

July—p 54; Aug.—p 28; Sept.—p 70; Oct.—p 56; Nov.—p 70; Dec.—p 65

GRANULATION

Coating Fertilizer Granules ....Apr.—p 16
Granulation Problems Solved in Illinois Plant ....June—p 34

INSECTS

Boll Weevil Reproduction Phenomenal ....Aug.—p 58
Cereal Leaf Beetle Spreads in Three States ....Oct.—p 42
Factors Determining the Hibernation of Insects ....Sept.—p 14
USDA Announces End of Long Fight Against Khapra Beetle ....Sept.—p 29

LABELING

Labeling Specialty Fertilizers ....Apr.—p 26

LEGISLATION

PHS Pesticide Report Called "One-Sided, Needlessly Frightening"...June—p 78
Ribicoff Gets Tough on Pesticides; Proposes Licensing, Inspection Law ....May—p 12
Ribicoff to Keep Eye on Pesticide Threat ....Nov.—p 54
Truth on Fish Killings Sought in New Hearings ....July—p 52

LITERATURE

"Manual on Fertilizer Manufacture" (New Edition, Published by Dr. Vincent Sauchelli) ....Apr.—p 74

MAINTENANCE

Both Safety and Economic Considerations Involved in Adequate Maintenance Plan ....Nov.—p 10
Don't Forget Building Repairs ....Nov.—p 10
Equipment Maintenance Tips ....Nov.—p 1
Rinse Out Pumps With Water, But Beware of Low Temperature If Moisture Remains ....Nov.—p 12
To Prevent Uneven Flow, Erratic Pattern, Keep Nozzles, Valves, Strainers Clean ....Nov.—p 8

MANAGEMENT

Hiring the Right Man ....Feb.—p 62
Panel Discussions Featured at NFSA's Annual Convention ....Dec.—p 58
Special Type Person Needed for Self-Owned Operations ....Nov.—p 29

MARKETING

Croplife Marketing Symposium:
Basic Producers Will Gain Control of the Fertilizer Industry..June—p 12
Big Farms of Future Will Require Large Suppliers for Services ..June—p 10
Distribution Facilities Must Be Improved to Augment Production..June—p 22
Expanding Markets Seen for Fertilizers With Added Advantage for Local Operator ....June—p 8
"Explosive" Situation Expected in the Fertilizer Trade for Some Years to Come ....June—p 14
Farmers Can Fertilize to Optimum Level Even When Farm Prices Drop ....June—p 23
Fertilizer Marketing? "We Haven't Seen Anything Yet," Observer Says ....June—p 19
Greater Competition Plus Bigger Farms Demand Sound Sales Policy ....June—p 18
Industry Representatives Must Aid Farmers in Making Basic Decisions ....June—p 11
Marketing Centers, Bulk Blending and Exports to Expand in Future ....June—p 6
Plant Food Use to Double in Next 10 Years ....June—p 12
Tomorrow's Large Volume Operators Must Seek Wide Range of Markets ....June—p 16

MATERIALS HANDLING

Warning Against Conical Loading of Fertilizer in Truck, Storage (Talk by L. J. Pircon) ....Dec.—p 33

MERCHANDISING

Sell Fall Fertilization ....Oct.—p 12

MICRONUTRIENTS

How Do You Enrich Fertilizer Products With Micronutrients? (Talk by Travis P. Hignett) ....Dec.—p 10
Increasing Importance of Micronutrients ....Nov.—p 67
Sulphur as a Plant Nutrient ....Feb.—p 82

OBITUARIES

Ballentine, L. Y. (Commissioner of Agriculture, North Carolina) ....Aug.—p 54
Gammons, Charles C. (Atlas Chemical Industries, Inc., Retiree) ...Dec.—p 77
Hill, William L. (USDA Chemist)...Aug.—p 55
Hoffer, Dr. George N. (American Potash Institute) ....Feb.—p 46
Kihlstrum, Milton B. (Miller Publishing Co.) ....Apr.—p 36
Meadows, Dr. Marion W. (GLF Exchange, Inc.) ....July—p 57
Miller, John V. (Atlas Chemical Industries, Inc.) ....July—p 59
Thomas, Franklin M., Sr. (Central Chemical Corp.) ....Dec.—p 61
Torpin, Paul D. (McLaughlin Gormley King Co.) ....Dec.—p 47

OUTLOOK

Canadian Sales to Continue 8% Growth During 1964 Season ....Jan.—p 12
Everything Points to Greater Use of Fertilizer in 1964 ....Jan.—p 13
Expansion Certain to Continue Beyond 1964 ....Mar.—p 66
Fertilizer Use in 1964 Should Better Record Made in '63 ....Jan.—p 18
Fertilizer Use on Wheat Crop Can Be Important in 1964 ....Jan.—p 16
Food Supply of Future Depends Largely on Use of Fertilizer (Paper by Dr. W. C. White and Dr. W. H. Garman) ....Dec.—p 42
Gain of 5% Seen for Pesticides Along With Farm Economy ....Jan.—p 18
Great New Developments Seen for Fertilizer in 1964 ....Feb.—p 86
Industry Urged to Tell Public About Pesticides in 1964 ....Jan.—p 12
Knowledge Gained by Farmers Assures Big Pesticide Use ....Jan.—p 16
Public Controversy Increases Awareness of Pesticide Value ....Jan.—p 18
Tighter Regulation of Industry Seen for Future Years ....Jan.—p 20

PACKAGING

All-New Packaging Equipment ....Jan.—p 64
Deciding on the Right Equipment ...Sept.—p 16
Fertilizer Use of Poly Bag May Reach 100 Million in '65 (Talk by Shelby Brown) ....Dec.—p 32
More Fertilizer Means More Bag Use ....Dec.—p 16
Packaging Materials and Equipment ....Dec.—p 30
Use of 50 Million Plastic Bags a Real Possibility for 1964 ....Jan.—p 62

PATENTS

Production Process Patents ....
Feb.—p 66; Mar.—p 36; Apr.—p 56; May—p 42; June—p 30; July—p 14; Aug.—p 60; Sept.—p 33; Oct.—p 32; Nov.—p 50; Dec.—p 80

PESTICIDES

Ancient Battle Against Locusts Being Won by Pesticides, Men and Machines ....Feb.—p 46
Bird Numbers Increase During Pesticide Years ....May—p 8
Bright Future Seen for U.S. Pesticide Exports ....Feb.—p 19
Carryover of Pesticides Up 9% Over Year Ago....Mar.—p 74
Cooperation Requested to End Pesticide Controversy ....Sept.—p 13
Discrepancies in Government Report Cast Doubt That Pesticides Killed River Fish ....May—p 46
FDA Asked to Withdraw Zero Tolerance ....Feb.—p 61
First Volume Reporting Public Hearings on Pesticides Published by Ribicoff ....Apr.—p 68
Importance of Dependable and Accurate Pesticide Application Equipment ....Sept.—p 31
Industry - Entomologist Cooperation Urged for Pesticide Common Names ....Feb.—p 84
Iowa Pesticide Definition Code ....Apr.—p 55
NAC Assn. Hears Editors' Views of Pesticide Public Relations ....Oct.—p 16
"Negative Attitude" Toward Chemicals in Agriculture ....Apr.—p 69
1963 Pesticide Production ....Mar.—p 74
Pesticide Committee Reports Results of Evaluation Meeting ....Sept.—p 74
Pesticide Pollution Not a Problem in River, Sanitarian States ....Nov.—p 86
Pesticide Sales in 1963 ....Aug.—p 57
Pesticides Not Mere Commodity; Must Be Sold as Specialties ....Jan.—p 23
Planning — Secret of Successful Spray Job ....June—p 54
Questionnaire Report Says '64 Pesticide Sales High ....Sept.—p 8
Ribicoff Gets Tough on Pesticides; Proposes Licensing, Inspection Law ....May—p 12
Rutgers Launches Five-Year Study on Pesticides ....Mar.—p 74
Some Pesticide Foes Teachable ....Others Won't See No Matter What ....Nov.—p 80
Study of Organic Chemicals in Streams, Lakes and Rivers ....July—p 29
Tell Your Customers, "Store Pesticides Safely" ....Nov.—p 72
Too Much Misunderstanding ....Sept.—p 10
Without Pesticides, Farming Would Cease ....Mar.—p 70

PESTICIDE FACILITIES

Modern Pesticide Distributor ....Sept.—p 64
Niagara Chemical Completes Expansion of New Research and Development Laboratory ....Feb.—p 72

PHOSPHATES

Future Appears Bright for Greater Use of Superphosphoric Acid....Dec.—p 34
Phosphoric Acid Manufacturing ...Dec.—p 38
Production, Shipments, Consumption and Stocks of Superphosphate and Other Phosphatic Fertilizer Materials in 1963 ....June—p 40
Superphosphate and Other Phosphatic Fertilizer Materials Production During February, 1964 ....May—p 44
Superphosphate Production ....Dec.—p 38

POTASH

Greater Use of Potash Indicated ..Nov.—p 24
Potash Deliveries During First Quarter of 1964 ....July—p 48
Potash Deliveries During 1963 ....Feb.—p 18; Apr.—p 76
Potash Deliveries During 1963-64 ..Sept.—p 84
Potash Deliveries for First 9 Months of 1964 ....Dec.—p 62

PRODUCTION MAN OF THE MONTH

Huggins, Wesley (Virginia-Carolina Chemical Corp.) ....June—p 56
Litzelman, Hugh F. (Agway, Inc.)..Oct.—p 62

PUBLIC RELATIONS

Firm Founds Success on Special Services to Farmers ....Feb.—p 78
4-H'ers Become Friends of Firm Via Plant Tour ....Feb.—p 42
NAC Assn. Hears Editors' View of Pesticide Public Relations ....Oct.—p 16
Pesticides "Belong" in Modern World, But How Do You Convince the Public? ....July—p 62
Service Key Word in Michigan Firm ....Jan.—p 8
Some Pesticide Foes Teachable ... Others Won't See No Matter What ....Nov.—p 80

REGULATORY

FDA Asked to Withdraw Zero Tolerance ....Feb.—p 61
Tighter Regulation of Industry Seen for Future Years ....Jan.—p 20
U.S. Agencies Argue and Industry Testifies as Fish Fight Goes On...Aug.—p 16
Velsicol Spokesman Questions Validity of PHS Basing Arguments on Three Samples ....Aug.—p 17

RESEARCH

Canadian Entomologist to Study Degree to Which Wildlife Picks Up Insecticide ....Nov.—p 66

SAFETY

Don't Forget Safety In Spring Rush..Mar.—p 10
Fertilizer Safety School ....Oct.—p 10
Make Safety Program Work for You ....May—p 32
Pesticide Safety Guide Offered by NAC Assn. ....Feb.—p 12
Safety Tips for Handling Solutions in the Plant ....Apr.—p 13
Tell Your Customers, "Store Pesticides Safely" ....Nov.—p 72

SULFUR

Need for Additional Sulfur Demonstrated by USDA Experiments ...June—p 32
Sulphur as a Plant Nutrient ....Feb.—p 82
World Production of Sulphur in 1963 ....Feb.—p 49

TECHNOLOGY

New Fertilizer Processes Shown by TVA at Technology Demonstrations ....Nov.—p 13

TENNESSEE VALLEY AUTHORITY

New Fertilizer Processes Shown by TVA at Technology Demonstrations ....Nov.—p 13
Plants Licensed to Use TVA-Developed Processes or Equipment, July 1, 1964 ....Sept.—p 40

TRADEMARKS

Industry Trademarks ....
Feb.—p 66; Mar.—p 38; Apr.—p 58; May—p 42; June—p 60; Aug.—p 60; Sept.—p 35; Oct.—p 34; Nov.—p 52; Dec.—p 80
